After my first 9-Day cycle with the ISAGENIX Cleansing & Fat-Burning System and 6 days on maintenance, I had a loss of 17 pounds. **After 47 days - my loss is 25 pounds.** We have 10 personally sponsored Associates in our two down-line legs, plus a large list of friends with whom we want to share this phenomenal opportunity. This opportunity is SOOOOOOOO exciting.

Carol & I have been involved with Networking since 1971 - but have NEVER seen an opportunity like this. The products really work. The Binary Compensation Plan is the easiest and most rewarding method of Networking I believe is available anywhere in the country. This is the **ULTIMATE** Plan.

We are very thankful to our sponsor who convinced us to give this business and these products a try. When they said that the maximum weekly income had a cap of \$50,000.00 and - **within just one year** - one of our upline was earning over \$50,000.00 per month - we had to make a commitment and give it massive action. From all the results and possibilities available, we are convinced this is the most extraordinary, phenomenal and easiest to understand opportunity available. Where do you find the chance to become part of a \$40 million dollar business (in its first 16 months) for \$36.00 that includes a free web site for 1 year? This is not an investment opportunity, but a way that you can develop financial freedom and independence by working the system for a "New Future".

Most people today are Over fed, Under Nourished, Over Weight and Tired. Join a \$40 Billion Dollar Industry with a "Cleansing & Fat-Burning System" that is guaranteed to work - if you work it. Over 70% of our population is Obese. Child obesity is growing at a greater rate than adults. Statistics show that 60 illnesses are caused by Obesity. About 1.5 trillion dollars a year are spent on health care in this country - yet our health is deteriorating. Give us a few minutes of your time to explain what we are so passionate and committed to share with you.

Healthfully,

Terry & Carol Eilers
Titusville, Florida
