

This is My ISAGENIX Weight Loss Story

BEFORE ISAGENIX

AFTER ISAGENIX

ISAGENIX has truly saved my life! I was almost 100 pounds overweight when I began using the ISAGENIX Cleansing and Fat-Burning System. I have now released over 50 lbs and have never felt better ~ even when I was much younger and thinner. For the first time ever, I have total confidence that when I reach my goal weight, due to the Isagenix Maintenance Program, I will be able to remain there without the rebound effect. **I have found that the best thing about the ISAGENIX program is that weight loss is merely a fringe benefit of good nutrition and a healthier lifestyle.** The results of my recent physical confirmed this beyond a shadow of doubt.

Equally exciting is the fact that after working the business part-time for a few months, I saw enough happen that I developed the courage to “**Fire My Boss**” ~ and left behind the last in a series of dead-end sales jobs that I had held over the past 15 years. ***I am now working ISAGENIX on a Full-Time basis and it was the best move I've ever made.***

I have total time freedom . . . the ability to work with who I want, when I want, and wherever I want. What a great feeling ! The support I receive from ISAGENIX and our TEAM members is unsurpassed. My income keeps building each month . . . and it is all **RESIDUAL income.**

ISAGENIX has renewed my ability to dream again, and to dream bigger than ever before, because I know that I have the vehicle which will make those dreams come true. THANKS, ISAGENIX FOR GIVING ME MY LIFE BACK !

Kevin Horth
Missouri

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
