

It's Time to Dream Again

- by Jimmy "The Butcher" Smith

"Isagenix has made a positive impact, not only in my life, but in the life of hundreds of thousands of people," says Jimmy Smith. "Where else could a **76-year-old man - like myself - gain the Energy and Vitality of a 50-year-old . . . earn an income that surpasses that of the top CEOs in the country . . .** and inspire others to do the same?"

Work hard. Set your goals and dreams - and reach for the stars - is the advice Jimmy offers. "You have to believe that in your hands you hold a treasure with Isagenix" he says . . . And then - go for it!"

In 24 months, Jimmy has built his business to become the Number Two Income Earner in the entire company – **and Number One Family Income Earner !** And as wonderful

as the income and all of its blessings are for him, Jimmy says what excites him most is to see the difference that Isagenix has made in the lives of others. "People who had forgotten to dream are dreaming again," he says. "It's so nice to see people excited about life. They're looking and feeling better than most of them have in years and they're making an income sharing the good news with others. **Jimmy dropped 21 pounds using the Isagenix System - and 4 inches off his waist - in just two 9-Day Cycles.**

It's comforting to be so sure about what we have with Isagenix. **The results with the products are visual and dramatic and emotional for most people.** I recently spent time with a woman in Canada who thanked me for introducing her to Isagenix. I love it when that happens. And, it happens often." Jimmy says he's not the type of person to sit around and watch TV all day. "I need to do something fulfilling everyday. **And, since I joined Isagenix . . . everyday is a beautiful day."**

7 Star Golden Circle

Many years ago, Jimmy and his family had discussed working a business together. **Today, those dreams have become a reality.** "My daughters and several of my Grandkids are working the business with me. It's exciting to see their passion for sharing Isagenix with others. It's a family affair - and I'm loving it !" **Jimmy and his family just moved into Jimmy's \$1 million Dream Home in West Chester, PA !!** Jimmy constantly tells people – "if the Butcher can do it – so can you" !

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
