Al lost 8 pounds the first two days and another 8 pounds at the end of 15 days - a total of 16 pounds. He also shrunk from a tight 38 waist to a 36. Al is experiencing a healthy lifestyle and healthy outlook for a longer, free, happy life.

Lillian lost 8 pounds the first week and ultimately 40 pounds in less than two months. Both of us are thrilled to pieces knowing that we will never let ourselves go again. Lillian went from a size 16 to a size 6 because of weight loss and inches.
