

## JANET AND JOHN'S INCREDIBLE ISAGENIX FAT LOSS & SUCCESS STORY

Janet and John Eveleth came across ISAGENIX's amazing Products and Opportunity at the Pierce County Fair in WA in August 2005. We came to a booth which featured a man named Peter Oelmann who was 67 years old and had lost 31 pounds in only 33 days and he looked great. We thought that was inspiring because it was in such a short period and it was done safely.

Janet was totally intrigued by this poster and stopped and looked and then asked her husband, John, to read the story also. Then one of the people in the booth came up to us and introduced herself as Angela Cruz. She asked us what we thought and we told her we thought that was fabulous! Angela proceeded to give us a pamphlet, CD and business card to check out the website on ISAGENIX Products and Financial Opportunity because we wanted a change in our Network Marketing business and wanted to lose some weight too.

John investigated this Isagenix Business and checked out all the info that was given him and found it very credible. He was very intrigued and wanted to do this immediately. So we decided to enroll right away and we will never regret it . . . because it has changed both our lives incredibly ~ with our weight ~ our Energy ~ and Financially. Janet started out at 167 pds and dropped down to 131 . . . **a total loss of 36 pounds**! John started out at 302 pds and dropped down to 245 . . . **a total loss of 57 pounds**!

And what's so amazing is that we have so much energy! We sleep better and wake up feeling rested ~ and incredibly Janet is able to sleep a whole night without disturbances ~ like never before. She goes to work and is not even tired at work any more. We are pursuing the Isagenix Business with tremendous passion and getting people to use the ISAGENIX products and even enrolling people into Isagenix as Associates in the business . . . which we couldn't even do in our previous Network Marketing businesses.

We are very happy and energetic and want other people to have this ~ so that they too can enjoy life to the fullest ~ and pursue their dreams ~ with our help and the help of our great Team of Associates. We LOVE Isagenix and we are unstoppable in this!
