

This is Our Happy ISAGENIX Story

LaRee had a baby when she was 42 year's old, and then couldn't lose the weight for 19 years. She completed two Isagenix 9-Day Fat-Burning Cleanses and **lost 37 pounds and 48 inches !** THAT was a miracle !

Don also lost 35 pounds and 7 inches off his waist !

Don and LaRee Nooner were members of the Isagenix Field Advisory Board in 2002 and were awarded the honor of being the 2nd Top Money Earners in Isagenix in 2003 . . . and are members of the Isagenix Million Dollar Club.

They have earned their Doctors' degree in the "School of Hard Knocks" - having been in the sales field for over 45 years. "We have been rich and we have been poor - and we definitely like rich best !"

We were in the last stages of foreclosure on our beautiful home on 5 acres - but, since joining Isagenix - we have not only paid off that home, but we have bought 6 more. That is because we needed a retirement program. We're not very smart – but we do know that when you have a home paid for - the rent is "income".

We have also had some health challenges for which we have received noticeable improvement.

Isagenix has the best Compensation Plan – the best Products – and most of all . . . we have John Anderson! He has been formulating and manufacturing nutritional products for many major companies for about 25 years. He has traveled the world and brought back ingredients, raw materials and discoveries that are working in other countries to help people all over the world . . . that NOW work for us ! John is the heart of Isagenix!

**Don and LaRee Nooner
St. George, Utah**

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
