**AFTER 98 DAYS OF THE
ISAGENIX CLEANSE**

In January of 2005 my life was a mess. I was heavier than I had ever been in my life. I was depressed, tired, and irritable and was feeling hopeless with my overweight situation. I was considering every weight loss gimmick out there. I was even considering obesity surgery. I felt lost and exhausted with the thought of trying to once again to lose my thick winter coat. I was in despair and didn't know what to do, so I would just eat. I was addicted to fast food and ate every processed food product I could get my hands on.

Little did I know that later that month my life would be changed forever. I saw a friend at the gym and was astonished at his weight loss. After a series of skeptical questions, I finally gave Isagenix a chance. I was hopeful with the possibilities but not convinced this would be different than any other weight loss program I tried in the past. I mean seriously what makes this program so special. How little did I know at the time.

After my first 2-day cleanse, I lost 16 lbs and 33 inches. Needless to say, I was starting to believe. After my first 9 days, I lost 26 lbs and 48 inches. How was this possible! I was losing weight and feeling great. **I was beaming with energy and was not hungry for the foods that used to control my life.** In only 9 days, I went from food controlling me to being in control of food. I lost all my cravings and my desire to overeat had been curbed. **In just 3 months, I lost a total of 85 lbs and over 75 inches.** My life has been changed forever. My desire to exercise is back. I decided to start slow, just get on the treadmill and walk for one hour a couple times a week. A couple times a week quickly turned into 4-5 times a week and for the first time in years I began to jog.

The funny thing is, I did not join Isagenix to start a business. I joined Isagenix because I was 35 years old with four boys and a beautiful wife. I want to be around to watch my kids grow up. Now I have a thriving secondary business that is generating more income than I thought possible in 6 months. I have used this income to pay for private schooling for my kids.

Isagenix not only saved my life . . . it has changed my life! Thank you so much Isagenix.
