

## This is My Isagenix Weight Loss Story

### Released 30 Pounds and 35 Inches !

Hi! I'm Michelle Moraga. I am so grateful I found Isagenix when I did. At that time I was 30 lbs overweight, tired, and no energy.

I was "Mom" raising my two children (ages 5 & 15) and worked nights for over 17 years in a grocery store. I was really tired of not being home in the evening for my children and my husband. I only slept in two to three hour shifts; I was exhausted most of the time.

After just a few days thanks to **Isagenix**, I started losing weight, regaining my energy, and sleeping like a baby. On the first cycle **I lost 9 lbs and 17 inches**. I reached my goal of 130 lbs and in total **I lost 30 lbs and 35 inches**. I went from a **size 12 to size 4** !

I had such remarkable results that my family and friends wanted to know what I was doing, so I helped them get started on **Isagenix**. When they also had great results, I knew Isagenix was going to be the business for me. Where else could I help people get their health back on track, lose weight, feel great, and make an awesome income from home?

Thank to **Isagenix** and this **AMAZING** income plan I have replaced my JOB making a continuously increasing residual income. And the best part is I am now home full-time with my family.

**Isagenix** truly allow our bodies to be the miracle they were intended to be. **Let it into your life and you will be amazed at the changes both physically, mentally, and if you so choose, financially!**

*Michelle Moraga*  
California

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
