AFTER
ISAGENIX CLEANSE

Jeremy Solmes

Today I am **VERY** happy ~ but not before Isagenix. My whole life was being the fat guy. Kids called me names and insulted me in school. I was always stressed and unhappy. Then Jessica reached out to me to join her group in the IsaBody Challenge. It took me 3 years to get ready ! After my 1st IsaBody Challenge, I released 95 lbs and 104 inches and after my 2nd Challenge I released another 9 lbs . . . for a total of 104 lbs.
